BRAUEREI an der THOMASKIRCHE

Dear Guest

Dear Guest,

Welcome to our restaurant.

In our brewery we make artisan brews according to the old tradition.

Our main specialties are Pils and dark beer.

Furthermore, we offer you during the year many different seasonal beers of upper and bottom fermentation.

The pizza is made in the original Italian stone oven.

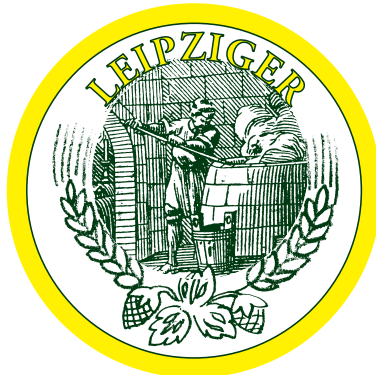

The pasta in different types and variations is handmade by our professionals.

We would like to draw your attention to our ice-cream shop W-E-I-S-S.

There, italian ice cream is created in many different varieties.

For questions and suggestions we are at your disposal.

Your brewery Team
